Long Beach is holding a FANTASIA day luncheon this next week, May 8, and in cooperating with them for this event we are sending them three FANTASIA books autographed by key FANTASIA personnel. These books will be raffled at the luncheon and the proceeds given to charity.

Therefore, may we please ask your cooperation in giving us your autograph on these three books. We are taking the liberty of sending a traffic boy around with them tomorrow, April 30, so that some time during the course of the day you will be approached.
